

Girls Inc of Worcester

CAR POLICY

If you will be driving your children to and or from camp, you must follow these procedures:

- Do not drive more than 5 miles an hour on the camp road
- Beep your horn as you go around the corner, so as to alert oncoming traffic
- When dropping off in the morning, drive and park your car in the appropriate parking spaces, not on the lawn. Children must then check in immediately. If for extended day, they must come to the office. If on time they must sign in with their unit.
- If you should be coming in to camp late, you must leave your car, and walk your child to the office so that she/he can be accounted for and directed to their unit.
- If you should be coming in to camp early to pick up your child, you must come to the office and officially sign them out. You need to park your car in the appropriate parking spaces.
- Remember that often times children may be hiking on these roads and you need to proceed with utmost caution!!!!
- If we see that you are not following these rules, we will have to ask you to find alternative transportation for your child.

** At the end of the day 4:00: you need to park your car in designated spaces and go to the picnic table where you will find the staff with the sign out list. Sign out your children and then proceed carefully out of the parking lot, as other parents will be coming in. I would much rather you be a few minutes late or early than for all of you to pile in at the same time and all trying to get out as fast as you can.

REMEMBER CHILD SAFETY IS OUR NUMBER ONE CONCERN!!

ALL VISITORS MUST CHECK IN AT THE OFFICE!!!!!!
