of Worcester
Welcomes You!

Girls Incorporated of Worcester is pleased to announce our summer programs for 2011! We welcome girls to join us in a variety of programs and activities geared to inspire all girls to be strong, smart and boldsm.

Girls Inc. has been serving girls in grades K-12 in Worcester county for over 94 years. We offer quality research-based programs in a safe environment and provide opportunities for girls to take healthy risks, build leadership skills and master physical, intellectual, social and emotional challenges. Our summer programs are offered at both Camp Kinneywood and Winthrop House facilities.

Summer STEM Theme Weeks

Summer STEM offers middle school age girls an exciting array of activities! Girls will explore, discover and imagine as they engage in fun, interactive and hands-on science, technology, engineering and mathematics (STEM) activities.

July 11 - August 15

Week 1: "You Are What You Eat" The Science

of Food - Girls will investigate the science and chemistry of food through a variety of cooking and baking experiences.

Week 2: "Who Dunit" Crime Scene Chemistry -

Do you have what it takes to solve a crime? Girls will explore all aspects of being a detective "Clue" style.

Week 3: "We've Got The Power" Exploring

sources of Energy - During this week girls will engage in hands-on activities and experiments as they explore power resources.

Week 4: "Color Me Green" Creating a Greener

Community for Humans, Animals & Marine Life - Girls will engage in a week filled with eco-friendly activities and explore how pollution affects the world around us.

Week 5: "Mind, Body, Spirit" Connecting

Through Kinesiology - Girls will explore the scientific connections between learning and movement through Yoga, Karate, Sports & fitness.

Week 6: "Imaginations" Video Game & Graphic

Design - Have you ever wondered how video games are created? Join us as we create our own video game.

Why Girls Inc. Summer STEM?

- FREE! No one can beat that!!
- Engaging and hands-on activities
- Our programs are strong, smart and boldsm
