Girls Want!*

ANNUAL REPORT **2006**

A Message from the Board Co-Presidents and Executive Director

Dear Friends and Colleagues:

Girls Incorporated of Worcester's philosophy is to focus on girls. We believe that girls are **strong, smart and bold** and are capable of achieving their full potential. It is on this premise that Girls Inc.'s staff and board of directors are dedicated to ensuring that all of our programs provide the girls with a safe place, an encouraging adult, and an opportunity to explore and learn something new!

Girls Inc. currently touches the lives of hundreds of girls through our programs that focus on careers and life planning, health and sexuality, leadership and community action, sports and adventure, self-reliance and life skills, and culture and heritage.

In our comprehensive youth development program, Girls Inc. is an environment where girls enhance their technological, life and career skills. The computer lab is a place where girls get hands-on experience with the number one tool that they'll need in many aspects of their life.

Science and math programs are incorporated into the after-school programs so that girls get that extra edge in these subject areas as well.

We acknowledge that basic life skills such as cooking, sewing and relaxing while making crafts are also important. Appreciation of our environment and the out-of-doors is a value that Girls Inc.

fosters in the girls by providing them with an outdoor environment that is safe, beautiful and full of natural wonders! With this in mind, Girls Inc.'s Camp Task Force is working on raising funds to rebuild Camp Kinneywood.

For girls who have yet to experience the wonders of a Girls Inc. site, our Outreach Services extends Girls Inc. programming through the Worcester Public Schools and other neighborhood groups. Our goal is to make available these girl-focused programs to all girls who want to participate and to eliminate any barriers that prohibit their participation. Girls Inc. is for all girls!

As you can see, girls really can do it all at Girls Inc.! We set high standards for the quality of our programs because we believe that girls deserve only the best! I look forward to another exciting year.

Sincerely,

John J. Joyce, Jr. Abel Molina
Co-Presidents of the Board

Our Mission is inspiring all girls to be strong, smart, and bold.sm

Girls want . . . to have fun!

GIRLS' BILL OF RIGHTS

Girls have the right to . . .

be themselves and to resist gender stereotypes.

express themselves with originality and enthusiasm.

take risks, to strive freely and to take pride in success.

accept and appreciate their bodies.

have confidence in themselves and to be safe in the world.

prepare for interesting work and economic independence.

Girls want . . . to achieve their personal best!

For the past four years, sisters, Delismar and Solimar Ramis, ages 11 and 9, have been attending Girls Inc. programs everyday after school. Their favorite programs are Homework Help, Arts and Crafts, Scope, and SMART. Their mother, Isomara Reyes, says, “with both my husband and I working, it has been a relief knowing that our children are safe after school. We have four children, and their homework can be a real challenge.” Ms. Reyes added, “We especially appreciate the staff and all the help they give the girls with their homework.” We here at Girls Inc. would like to thank Mrs. Reyes and her girls for their kind words and support.

Girls Inc. offers over 50 programs targeting six key areas at three convenient locations:

SPORTS & ADVENTURE

CULTURE & HERITAGE

CAREERS & LIFE PLANNING

HEALTH & SEXUALITY

SELF-RELIANCE & LIFE SKILLS

The Planned Giving Program
of Girls Incorporated of Worcester

The Emma D. Harris Society recognizes those individuals who have included Girls Incorporated in their estate plans. The Society is named to honor Emma D. Harris who gave her home in 1916 to create a clubhouse for girls. It became known as Lincoln House and was the foundation of this organization.

Through their planned gifts, members of the Emma D. Harris Society wish to assure that Girls Inc. will remain strong, continue to forge new relationships and open doors to more girls who need a nurturing and safe place after school.
